

Neoappz introduces Places Around 1.0 for iOS - Find Places of Interest

Published on 12/09/11

Mobile application development company, Neoappz has introduced Places Around 1.0, their new lifestyle app for iPhone and iPod touch. Ideal for travel, Places Around allows anyone to easily find places in their surroundings. It works world wide and provides accurate and concise information. Places Around features a Category Search which provides one tap access to over 35 common categories such as Restaurants, ATMs, Gas Stations, Parking, Shopping Malls and more.

Colombo, Sri Lanka - Neoappz, a mobile application development company, has announced the release and immediate availability of Places Around 1.0 for iPhone and iPod touch. Places Around is a user-friendly application which allows anyone to easily find places in their surroundings. It works world wide and provides accurate and concise information. It is ideal for travel.

Places Around features a Category Search which provides one tap access to over 35 common categories such as Restaurants, ATMs, Gas Stations, Parking, Shopping Malls etc. The Search area can be changed to a location of choice to search for places in a distant location without being there (ex. Search for Restaurants in London from Boston in USA). The following are some more of the many features of Places Around:

- * Custom search which allows users to find places by the name of the place
- * Place results are displayed in user friendly map views and list views
- * Current location is detected and the distance to places are displayed
- * Contact details of places are displayed and calls can be made directly from the app
- * Directions to places are displayed using the iPhone Maps App
- * Place details can be shared using SMS and/or Email
- * Places can be saved as favorites for easy access

Device Requirements:

- * Compatible with iPhone and iPod touch
- * Requires iOS 4.0 or later
- * 1.6 MB

Pricing and Availability:

Places Around 1.0 is \$1.99 USD (or equivalent amount in other currencies) and available worldwide exclusively through the App Store in the Lifestyle category.
